Chief Engineer (P. E. D).

Government have sanctioned a scheme for the construction of houses for officials in the Island. Kindly tell the officers concerned that they should not start construction without consulting the Executive Engineer (Town Planning Division) who will in turn consult Mr. Krumbiegel. At Sagar, for instance, it is proposed to construct, some 30 houses. The lay-out of the extension has so far been sent to me for approval, and I believe neither the Executive Engineer nor the Consulting Architect has been consulted in the matter. They will, I am sure, make a mess of it all and miss a splendid opportunity. So, I hope you will kindly make them understand that it is their duty to consult the Town Planning Officer before proceeding with the buildings.

Dear Mr. Markar,

In the course of his address to the recent District conference, the Deputy Commissioner, Kadur observed as follows:-  
"In Chikmagalur Town a programme consisting of five items of improvement is being carried out for the year. Proposals for forming a new extension for housing people displaced by the acquisition of houses in the Saganipur street, etc have been sent up to the Executive Engineer, Sanitary and Town Planning Division for scrutiny". I am asked to invite your reference to the above extract and to request you to kindly deal with the matter with the least possible delay

Yours sincerely,

Dear Sir,

The plan of the above extension referred to  
by the Deputy Commissioner in his address to the District  
Conference was scrutinized by me on the spot at Chickmaga-  
lur on the 17th of last month and the plan was slightly  
modified and given to them on the spot, as they wanted  
it urgently It is a small extension of about 30 house  
sites in an open site close to the locality from where  
some people are displaced

Dear Mr. Ramachandra Rao,

With reference to your D. O. letter No. 4663 dated 15th June 1928 re: proposed new extension in Chikmagalur, I write to state that the Municipal President has sent <sup>on 15-6-28</sup> the modified Plan to Mr. Marker as directed in G.O. No. L. 8046-55/Ml. 326-27-2 dated 10th May 1928 copy of which is attached. In this connection, if I may make a suggestion, it is that the Executive Engineer, Sanitary and Town Planning Division may himself on receipt of the reference from the Municipal President or Deputy Commissioner get the approval of the Consulting Architect and Government thereto and return the Plan and Estimate approved once for all to the Deputy Commissioner. This course will, I think, considerably expedite matters. I have also sent up for the sanction of Government and Publication in the Gazette the declaration Statement showing the particulars of the land to be acquired for the extension with this office letter No. A7-3027-27 dated 8th May 1928.

I am, Yours Sincerely,

M. S. Ramachandra Rao
